

Journey Through Time - History & Civics for ICSE Middle School

Journey Through Time is a series of three books for the middle school (Classes 6, 7 and 8) on history and civics. The series fully meets the requirements of the Inter-State Board of Anglo-Indian Education.

Journey Through Time is an innovative new course which introduces the concepts of history and civics in simple and easy to understand text. This series uses a chronological approach in terms of methodology and focuses on the development of concepts and skill.

Special Features

The series include interesting features which provide various tools for learning and evaluation.

Introductory activity: At the start of each chapter creates interest and leads into the content.

Activity/Discussion boxes: Within the chapters stimulate thinking and promote collaborative learning.

Sources (Primary and Middle): Used extensively to develop analytical skills and encourage original interpretation of historical material.

Did You Knows: Provide interesting snippets of information.

Heritage section: In each history chapter brings out the impact and relevance, in today's context, of the study of the period.

Timelines: Show the chronological sequence of historical developments,

Remember: Enables quick recapitulation of the salient points of the chapter.

Look Back: Reinforces key concepts and skills through exercises linked to the content studied in the book.

End of text exercises: Help to test knowledge, understanding, application and skill of the child.
