# Oxford University Press

Oxford University Press (OUP) is a department of the University of Oxford. It furthers the University's objective of excellence in research, scholarship, and education by publishing worldwide.

OUP is the world's largest university press with the widest global presence. It publishes in many countries, in more than 40 languages, and in a variety of formats – print and digital. OUP products cover an extremely broad academic and educational spectrum, and it aims to make content available to users in a format that suits them best.

In fulfilling the Press's objective to further research, scholarship and education, OUP India today develops path-breaking digital and integrated learning solutions, while continuing to publish over 400 new books and revised editions every year. OUP India's publishing programme covers school courses, higher education texts, academic and reference works, titles of general interest, bilingual dictionaries, atlases, adult ELT materials, and digital and assessment products.

Established in 1912, OUP India has grown to be one of the largest publishers in the region, with a strong presence in India and the neighbouring countries, including Nepal, Sri Lanka and Bangladesh. Headquartered in Delhi-NCR, it has regional offices in Delhi, Kolkata, Chennai and Mumbai.

OUP India is committed to the continuous development of its publishing programmes, covering both print and digital, to meet the growing and varying learning needs of students, teachers, scholars and general readers in the region.

# OXFORD BOOKWORMS LIBRARY

## Oxford Bookworms Library

**Oxford Bookworms Library** is a carefully and intelligently graded series, spanning various age-groups, language abilities and tastes.

### Key Features:

- » Four graded stages provide stories at different levels of ability. The lower levels feature a wide choice of original stories, while the higher levels feature adaptations of well-known works
- » There are titles to suit all tastes: fantasy and horror; thriller and adventure; classics; true stories; human interest
- » Extended activities section at the end of every book provides a full range of exercises
- » The *Activities* section at the back of each title includes extra activities—before, while and after reading, helping students to interact with the text and get the most out of each story
- » Each title also has an *Introduction*, a *Glossary* of key topic words, and an informative *About the Author* section

## READ ENGLISH, DISCOVER ASIA

Help students develop good reading habits and become motivated readers.

**Dragonfly Readers** is a new print series for developing reading comprehension skills featuring:

- Beautifully-illustrated stories and non-fiction texts by Asian authors and artists
- Asian culture, themes and values infused in the series
- Culture and vocabulary pages, supplementary projects and activities

Young learners of English explore the unity and diversity of Asian cultures.

### The Dragonfly Readers Levelling System

- Each level is denoted by a number and colour, provide transparency in reading skill progression
- 6 bands per level; each band offers 3-4 theme-linked reading texts within a printed anthology
- Each reading text introduces a set of topic-related new words with practice and support materials
- Text complexity gradually increases through the bands, so learners incrementally gain comprehension skills and reading fluency as they advance
- Aligns to Oxford Levels and correlates with CEFR

Dragonfly Level	1   Yellow	2   Lime	3   Teal
Oxford Level	1+3	4-6	7-8
Headwords per level	50 words	275 words	500 words
New target words per level	225 words	225 words	300 words
Length of each reading text	55-120 words	120-180 words	180-250 words

# DRAGONFLY READERS

## Dragonfly Readers

**Dragonfly Readers** is a graded reading series which promotes reading for pleasure and develops reading comprehension skills, while exploring Asian cultural themes and values.

**Available in Print + Digital**

**Dragonfly Readers** offers a complete system to teach graded reading with comprehensive teacher support including:

- » A printed Teacher's Book for each level
- » Printable worksheets for each reading text
- » Support pages in each anthology
- » An online Teacher Resource Library

## Dominoes

The purpose of **Dominoes** is to usher children into aesthetic reading or reading for pleasure. This is quite different from reading for information alone as it engages the emotions of the reader by constructing meaning from the text and connecting it to their previous reading experiences.

These books have a variety of selections from fantasy, fiction, fables, etc. to engage learners of all age groups. The series includes works of authors who are renowned in their field, thereby giving it a global appeal and enhancing the literary flavour as well.

Each **Dominoes** Reader includes:

- » Good story to read and enjoy
- » Pre-reading and post-reading exercises that provide teachers an opportunity to assess children for formative assessment
- » Grammar activities
- » Integrated activities to develop reading skills and increase active vocabulary
- » Personalized projects to make the language and story themes more meaningful

## Atlases

**Oxford School Atlases** have been trusted by generations of students, researchers and general readers for accuracy and depth of cartographic detail. The atlases contain detailed physical and political maps related to India, new and informative preliminary pages, and extensive coverage of core thematic issues, such as climate, natural vegetation, wildlife, agriculture, minerals, industry, demography, human development, environmental concerns, and natural hazards in a completely new design and layout. In addition, the atlases vividly trace geographical characteristics of each continent with regional maps of important countries and the world.

# OXFORD DICTIONARIES FOR CHILDREN

## Oxford Dictionaries for Children

### Think Dictionaries. Think Oxford.

Oxford is the home to children's language. Our range of dictionaries are specially written and designed for children aged 4 to 16.

- » Oxford's Dictionaries are powered by a unique database, containing millions of words, which tracks and analyses the language children use today
- » Each dictionary and thesaurus contains tailored examples of words to a context that children can relate to
- » Compiled by experts and rigorously tested in schools to meet the demands of the school curriculum
- » An insight into the terminology used in maths and science, these dictionaries provide extra help with words and symbols to build subject understanding at home, and in the classroom
